“THE RIGHT PLACE AT THE RIGHT TIME”

My story begins back when I was a mere 14 years old and started working as a bus boy at the **Ali Baba Steakhouse** in Stratford. It was perfect timing for me! I enjoyed the **food**, the **beverages**, the **people**, the **action**, and the **opportunity to pursue my dreams** of owning my own business through hard work and dedication and some luck along the way.

After 10 years of working my way up at the Ali Baba, I went on to work at **Stratford's Olde English Parlour** for five years. It was at this time that David Lester, owner of **Jester Arms Inn & Pub**, gave me the opportunity to purchase his business. The original Jester Arms was located in the building next door to us, where Fellini's is now. In **1984**, I then expanded to **Bentley's** present location.

It's been more than **30** years, and to give you a taste of the "Good Old Days", I've added some special **Ali Baba** items to our menu for you to enjoy. There really are **too many people to thank** for where I am today, to begin with, my Mother, and continuing with my three hard working children, Breen Jr, Tanner and Brooklynn. I love the bar business and without them, I wouldn't have continued on.

From my family to yours,

THANK YOU!

Cheers,

Breen Bentley
